Sir:

Further to the Amendment Under 37 C.F.R. 1.111, filed October 23, 2006, and following November 9, 2006 telephone conversation with the Examiner, Applicants are submitting herewith an executed Terminal Disclaimer to advance prosecution of the application to allowance.

In particular, during the above-noted telephone conversations with Applicants' representative Arnold Turk, the Examiner indicated that upon review of the application it appears that the application would be placed into condition for allowance by submission of an executed Terminal Disclaimer disclaiming the applications cited in the double patenting rejections. The Examiner indicated that she would await the filing of a Terminal Disclaimer prior to issuance of a Final Office Action if a Terminal Disclaimer could be filed shortly.

Applicants express appreciation for the thorough examination of the application by the Examiner as well as the Examiner's telephone conversations with Applicants' representative to advance prosecution of the application.

As noted above, Applicants submit herewith an executed Terminal Disclaimer to advance prosecution of the application to allowance. This Terminal Disclaimer is being presented without expressing agreement or acquiescence with the rejection of record, and merely being filed to place the application into consideration for allowance.

Authorization is hereby provided to charge any fee necessary for consideration or entry of this paper and/or the Terminal Disclaimer to Deposit Account No. 19-0089.

**CONCLUSION**

In view of the foregoing, the Examiner is respectfully requested to reconsider and withdraw the rejections of record, and allow each of the pending claims.

Applicants therefore respectfully request that an early indication of allowance of the application be indicated by the mailing of the Notices of Allowance and Allowability.

Should the Examiner have any questions regarding this application, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully Submitted,
